

Village Fete 29th August 2016. Comments Received

Angela and I attended the fete on Noss Geen on 29th August, as part of the N3P presence, organised by Sarah Taylor. We explained N3P to a wide range of village residents and they were asked to write post it notes comments on what aspects they thought important.

Listed below are the comments received which related to health and well being.

We need more safe footpaths otherwise people will not walk or cycle

Bishops Court Residents are isolated. Please involve them more in the community, including providing transport to village events. (eg this fete)

Gardens for stress relief

Safe routes and crossings to schools

Safe routes to school

Keep the buses

Connect cycle tracks permitting safe longer distances to cycle

An indoor gym, and outdoor gym and circuit training

A Smooth riverside path suitable for wheelchairs and push chairs
